### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

This policy applies to all teaching and non-teaching staff at Eltham East Primary School, including education support staff, casual relief teachers and visiting teachers.

### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

#### Before and after school

Eltham East Primary School's grounds are supervised by school staff from 8:50am until 3:45pm. Outside of these hours, school staff will not be available to supervise students. We will inform parents/carers of the precise times during which the school's grounds will be monitored in the school newsletter each term on the EEPS website.

Before and after school supervision by teachers will cover the Grove Street access points to the school and the oval rear access points of the school.

Parents and carers should not allow their children to attend Eltham East Primary School outside of these hours. Families are encouraged to contact **EEPS Out of School Hours Care** on **Ph: 03 9431 2228** for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available)
- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student

### Yard duty

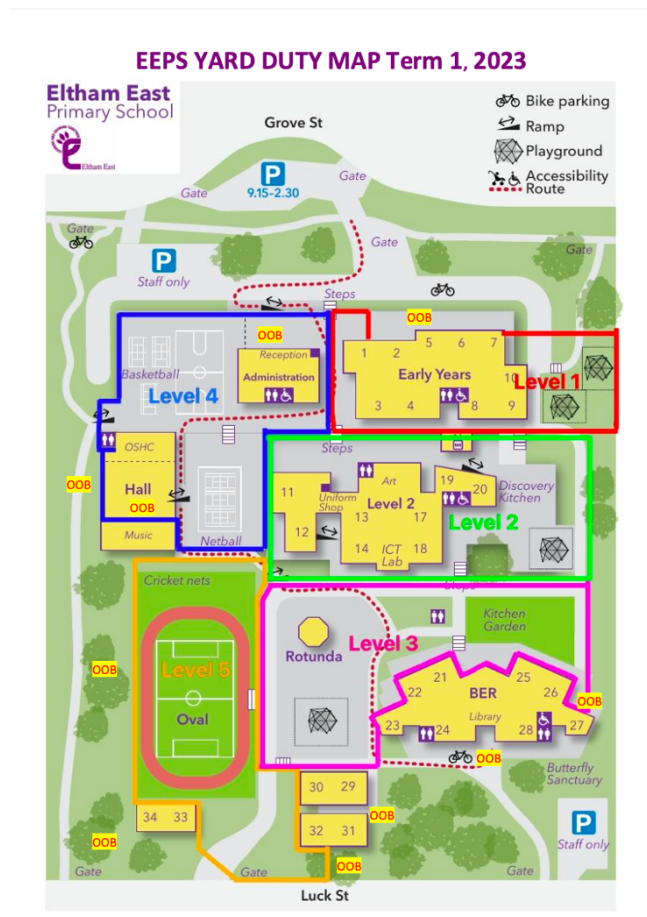

All teaching staff at Eltham East Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal for Daily Organisation is responsible for preparing and communicating the yard duty roster on a regular basis. At Eltham East Primary School, teaching school staff will be designated a specific yard duty area to supervise.

### **Yard duty Areas**

The designated yard duty areas for our school as at Term 1 2022 are displayed on the map on the staffroom noticeboard.

## Yard duty equipment

School staff must:

- Wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in each classroom with additional vests available in the First Aid room
- Carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in First Aid
- Be familiar with the vulnerable and at risk students tagged in wellbeing minutes
- CRT teachers are provided a purple student information folder with information regarding student health and safety
- As much as practicable, have their mobile phone on them during yard duty supervision

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

## Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated area ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)

- ensure students remain in designated areas
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing and Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate to Leadership, COMPASS and or report on Edusafe Plus

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal for Daily Organisation with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal for Daily Organisation but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Assistant Principal for Daily Organisation and not leave the designated area until a replacement staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

### Classroom

The classroom teacher is responsible for the supervision of all students in their care during class. If a young child needs to leave the classroom they are accompanied by another child.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact teaching partner or the Office, for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

### School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

### Digital devices and virtual classroom

Eltham East Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Eltham East Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the BER breakout space and classrooms. In the event of any student/students participating in remote and virtual learning from home:

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored twice daily
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information

#### Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

#### Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

#### Other areas requiring supervision

Students will be supervised during class handovers.

Students requesting to use the bathroom during instructional time need to go with a partner. A record of time leaving the classroom and on return is kept on a clipboard in the classroom.
