Learning @ EEPS Newsletter: Term 1 Number 1— 8th February, 2022

Dear parents and carers,

It is great to reflect upon our wonderful, positive start to the school year last week. A new school year brings lots of new preps and other new students across the school- to those new families to EEPS I hope that the first week was rewarding for your all.

Student Leaders

Yesterday morning at our first assembly for the year in the great outdoors we were able to present the Year 6 Student Leaders with their 2022 Leadership Badges. Well done to our leaders and we look forward to their contributions throughout the year.

Teaching and Learning

Tutor Learning Initiative

We are continuing with the Tutor Learning Initiative in 2022. This is an additional government funded program of support throughout the school. This initiative is on top of our existing layers of support throughout the school and structured teaching programs. Mrs Patty Casale will continue in the role all year with Miss Hannah McIntyre as well for the first half of Term 1.

Victorian High Abilities Program and Challenge and Enrichment Series

Two other government initiatives involve schools continuing to provide a range of stimulating learning challenges for many students. The Victorian High Abilities Program (VHAP) is for students in Year 5-8 for enrichment in the areas of English and Mathematics. Students for inclusion in this program are selected directly by the Department based on a range of data sets. The second initiative is the Victorian Challenge and Enrichment Series, which is for high achieving students from all levels and similar in nature to 'Gateways'. Mrs Mary Vescio coordinates both of these programs at EEPS and liaises closely with all teachers.

At EEPS our pedagogical approach has always been to 'teach to the point of need' and to provide appropriate opportunities for all students within the classroom environment. Participation in these new initiatives will add to our existing strong differentiation practices. Parents of participating students will be informed and kept up to date on their involvement.

3 Way Conferences

Please remember to book a 3 Way Conference time for this afternoon or next Thursday. This is an excerpt from last week;

To attend a 3 Way Conference onsite, in classrooms, parents will also need to comply with the current vaccination requirements, (2 doses of COVID-19 vaccine) or have a medical exception evidenced by a COVID-19 medical exemption certificate issued by the Australian Immunisation Register. To assist all families, we will offer the opportunity to hold the 3 Way Conferences in person or via Webex. At the beginning of the 3 Way Conference, we respectfully ask all parents and carers to show proof of their vaccination in line with DET policy upon entering school buildings.

Staffing

As you are aware staffing shortages and challenges has been a universal difficulty across many industries. Teaching is no different, however we will do everything we can, as always to provide Casual Relief Teachers (CRTs) when teachers are away. Thank you for your understanding as we navigate this landscape during Term 1, in particular.

Year 2 Strings Program

We are very excited to be introducing an optional Year 2 Strings Program for our students in 2022. School Council is thrilled to have Clare Zabrowarny, one of our EEPS parents and accomplished musician and music teacher to provide this optional enrichment in addition to our existing music programs and offerings. Please see further information later in the Newsletter.

COVID Parent Vaccination Requirements

On Friday a lengthy Compass newsfeed was sent to all parents with a COVID update. Please make sure to read this, thank you.

RAT- Week 3-4

We are still waiting delivery of the RAT packs for Weeks 3-4. We will let everyone know when they arrive and what the arrangements will be.

Learning at Home

Fortunately, we have had very few cases of confirmed COVID cases and limited children needing to isolate. In line with Department of Education guidelines, we have put together some learning tasks and activities for families to use in case a child is isolating and able to continue some school learning tasks. These tasks have been added to our new section of our Website and can be found [here](#).

School Uniform

Thank you to families for assisting all the students with their school uniforms. Many of them had a growth spurt over the holidays and I know that the uniform shop has been fairly busy last week! Thank you also to those parents who have got back into the swing of seemingly washing school clothes every time you turn around! For details of the full school uniform policy please visit our school website.

Have a great week settling into the routines of a new year.

Learning and growing together

EEPS FINANCE NEWS

Parent Payments

We remind parents that Parent Payment contributions are on Compass for payment please.

Excursions and Activities

This year a Compass Event for each excursion/incursion or activity will be created and submitted to parents for payment and consent.

We will not be having a term by term payment as in previous years.

CAMPS, SPORTS AND EXCURSIONS FUND (CSEF)

Please refer to the information on the next page to see if you are eligible to apply. Parents are encouraged to lodge the application form by **18th February, 2022** so that payments can be made from **1st March 2022**. However schools can accept parent applications up until **24th June, 2022**. Forms are available from the school office as well as via Compass (pencil—School Resources). If you have previously lodged a form you **do not** need to lodge another one.

Jenny and Lesley

EEPS Annual privacy reminder for 2022

Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#).

Please take time to remind yourself of our school's collection notice, found on our website [here](#)

For more information about privacy, refer to: [Schools' Privacy Policy — information for parents](#). This information is also available in nine different community languages.

Year 2 Violin Program – Optional Program

This year our Year 2 students will be given the opportunity to learn the violin in small groups during school hours starting in Term 2. We would like to invite interested Year 2 families to attend an Information Evening on **Thursday 3rd March at 6pm**.

At this information evening there will be violin demonstrations and students will be given the opportunity to try the violin. We will explain how the program will be delivered and would be very happy to answer any questions about the process of learning an instrument.

The cost of the Year 2 program will be \$480 for the year which includes instrument hire, music and all tuition. The teacher will be Clare Zabrowarny – violin teacher at Eltham High School and EEPS parent.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

Mental Health and Wellbeing

What a wonderful start to the year! I have very much enjoyed getting to know all our lovely new Prep students over their first week at school. It has also been a delight to reconnect with other students, as well as the EEPS staff and families. Whether we are young or old, starting school or returning for another year, our feelings about this transition can be mixed and varied. We might feel anxious, excited, energetic, overwhelmed and exhausted all in the same day! This is the nature of new beginnings, and the intensity of these feelings tends to dissipate as we settle in.

Now that we have successfully completed week 1, our next task is to build stamina. Here are some simple things you can do to help these first few weeks go smoothly:

- Being enthusiastic and letting your child know that you think they'll go well at school, sends a positive message that school is exciting and that they'll cope and have fun.
- Try to drop off your child at school before the bell goes in the morning and pick up your child up on time in the afternoon, as being late can be the source of anxiety for children.
- If your child is worried about being separated from you, look for ways to distract your child at school drop-off. For example, you could try meeting a friend at the gate or walk to school with another child and parent.
- Be patient if your child wants to blurt out every little detail about school, or clams up completely. You could try saying something like, 'Tell me one good thing about your day', rather than asking a lot of questions.
- Remember that it's common for children to play with many different children and also to play on their own sometimes. It takes a while before they settle into a group of friends. Make after-school time a bit special, with a snack and time for you and your child to chat.

For more great information on how to build your child's wellbeing, encourage positive behaviour and strengthen your family relationships visit raisingchildren.net.au or download the free [Raising Healthy Minds App](#).

Kind regards,
Anna Baker
Mental Health and Wellbeing Coordinator

3 Way Conferences- 'You, me and us'

This year the 3 Way Conferences will take place early in Term 1, on **Tuesday 8th February and Thursday 17th February from 3:45pm to 7:15pm**. They will be held onsite, however there is an option of conducting them through Webex if needed for families. The 3 Way Conferences, 'You, me and us' will provide an opportunity for students to express their own views and thoughts on their learning strengths, for parents / carers to give their perspective and for teachers to provide their observations so far on the year. We would also like to help parents and carers to connect with the school and the learning program as early as possible.

The students will work with their teachers in preparation for the 3 Way Conferences, however you might like to reflect on some of these questions yourself, in preparation for the discussion.

- What makes your child 'tick' as a learner?
- What are their strengths and weaknesses?
- How are they at solving problems and confronting challenges?
- What do they do if they get stuck with their learning?
- Do they enjoy challenge and extension?
- What are their interest and hobbies?
- How has the learning journey been for them so far?
- What obstacles have they overcome so far?
- As parents / carers what are your hopes, dreams and aspirations for your child/ren?
- What are three things that are unique to your child?

Please follow the instructions and allow 15 minutes between interviews for siblings. This ensures we run to time as you will have time for movement across the school. If you do require a WebEx 3 Way conference then please book the time through the Compass booking system **AND** then email your child's teacher through Compass, who will then provide you with the necessary link.

To attend a 3 Way Conference onsite, in classrooms, parents will also need to comply with the current vaccination requirements, (2 doses of COVID-19 vaccine) or have a medical exception evidenced by a COVID-19 medical exemption certificate issued by the Australian Immunisation Register. To assist all families, we will offer the opportunity to hold the 3 Way Conferences in person or via Webex. At the beginning of the 3 Way Conference, we respectfully ask all parents and carers to show proof of their vaccination in line with DET policy upon entering school buildings.

Parents attending onsite we respectfully ask that you maintain social distancing, and wait outdoors, where possible until your scheduled 3 Way time.

Bookings are now open.

3 Way Conferences - 'You, me and us'

Tuesday 8th and Thursday 17th February, 2022

Meetings will be held from **3:45pm until 7:15pm** and will be of 15 minutes duration. Punctual attendance is appreciated.

Due to the value we place on involving students in their learning we request that all students attend the conference with their parents. It also allows them to witness first-hand the partnership that exists between the school and home. If you or your child's teacher believes there are any issues that need to be discussed confidentially then your child could attend just part of the conference with you.

Compass Portal

EEPS Permission and Acknowledgments for 2022

At the start of each year we ask you to become familiar with, and acknowledge important school policies and programs. The relevant detailed documents for you to read are available on the school website:

www.elthameastps.vic.edu.au

Unfortunately the detailed content in these documents cannot be inserted here.

You will be requested to give your consent in relation to the following items.

1. ICT Acceptable use agreement for internet and digital technologies.
2. Photographing, Filming and Recording Students.

Please ensure that this is acknowledged by Friday 26th February.

Department of Education provisioned Online Learning Services.

This is for new students commencing EEPS for 2022.

At the start of each year we ask you to become familiar with, and acknowledge important school policies and programs, including **G Suite and Office365 online education services.**

The relevant detailed documents for you to read are available on the school website:

www.elthameastps.vic.edu.au

Unfortunately the detailed content in these documents cannot be inserted here.

If you do not agree to the items below, please download the form from our website and refer to the opt out process.

1. G Suite For Education Information Pack for Parents.
2. Office365 Information Pack for Parents.

Local Excursions

Events— These excursions are conducted within the local area but outside the school grounds. They may include nature walks, picnics, visits to local historical buildings. You will be notified through a Compass Newsfeed when classes are participating in a local area excursion.

Please ensure that consent for this event is completed on Compass by Friday 12th February.

Student Enrolment Information Form

Full Student Enrolment Information Forms have been emailed to all families. Please update enrolment information and return to the school office or via email to: Anna.Strebinos@education.vic.gov.au by **Friday 26th February. If you do not have any changes, you do not have to return the form.**

Parent Helpers Course Term 1—2022

Our parent helper community forms an integral part of our teaching and learning programs. Since 2014, we have had over 500 helpers complete our Parent Helper Induction Course. This has assisted in ensuring consistently high expectations are met, and respect and confidentiality to all is adhered to, in line with our school values.

2022 will again see Parent Helper Course sessions held for those who have not previously attended and wish to help out at the school in *any* capacity. This includes (but is not exclusive to) regular and one off activities involving:

Sporting teams, ELOs, Excursions, Camps, Swimming, Classroom Help and School based activities.

The purpose of the course is not to assess competency but to ensure consistency of understandings and direction between school (teachers) and home (parents). Even if you work in the education profession or hold a Working With Children Check or Criminal Record Check, we require everyone to participate in the course regardless.

Term 1—2022 Sessions

TO REGISTER YOUR SESSION TIME:

Go to: www.schoolinterviews.com.au and follow the simple Instructions.

Bookings are now open.

These sessions are held in the staffroom and will run for approximately 45 minutes.

Wednesday 9th February 7pm

Parent Helpers Course Session- for those who have not previously attended a parent helper course!

Thank you for your support and understanding as we all learn and grow together.

2022 EEPS SWIMMING TRIALS FOR YEAR 3 TO 6—Optional Event

The EEPS swimming trials will be held on **Friday 18th February 2022** at Watermarc in Greensborough. **This event is optional and is for those students who can confidently swim 50m.** These trials will be used to select students to represent Eltham East Primary School at the District Swimming competition.

You will need to complete the Compass Event permission including which events you would like your child to compete in. The Compass event will appear on your Compass newsfeed this week and will need to be completed by Thursday 10th January.

We will require parent helpers, you will need to have completed a Parent Helper Course and you will need to comply with the current COVID vaccination directives.

Parent helpers are required between 9am and 1pm.

Kind Regards,
Kristian Bain

School Sport Victoria State Team Selection Trials

School Sport Victoria will once again be offering the opportunity for students with emerging talent from your school community to register to trial for school sport Team Vic teams in 2022.

Registrations to trial have just opened and will remain open until Monday 1 March, 2022 for Team Vic Big 5 teams: 12 years and under Boys Australian Football, 12 years and under Boys Basketball, 12 years and under Girls Basketball, 12 years and under Boys Cricket, 12 years and under Boys Football (Soccer) and 12 years and under Netball.

Please note that registration to trial for these teams is limited to 3 students from our school. If there are more students than 3 seeking endorsement it is up to the school to ensure a selection process is undertaken to choose the students most appropriate. Please express your interest in participating in these trials before the 22nd February to allow for this process, before registering your child and making payment.

These are not Come 'n' Try opportunities. They are a process for selecting a Team Vic State Team going to School Sport Australia National Championships. Attached is a Team Vic Big 5 process [letter for parents and teachers](#) to assist you in understanding the process for registration.

In addition to the Big 5 Team Vic sports, other sports available to primary school aged students this year within the Team Vic program include (eg. swimming, touch football and track & field). Registration details for these sports will be available on the School Sport Victoria website.

Please note there is a small cost (\$20-\$25) to parents involved in nominating your child. When considering nomination, please remember that the Victoria team is chosen from all Victorian students and not all students are offered a tryout.

For further information regarding the Team Vic program visit www.ssv.vic.edu.au/team-vic

Kind regards,

Kristian Bain

Physical Education
Eltham East Primary School

Safety

Bicycles and Scooters

For safety reasons it is school policy that:

- Parents/carers are responsible for children riding bicycles, skateboards or scooters to and from school.
- Before the **age of nine or ten years**, children should not ride without adult supervision. Depending on their cycling skills and experience, some children over this age may still require supervision.
- Bicycle, skateboard and scooter security is the child's and parent/carer's responsibility.

It is vital that students travelling to school on bicycles, scooters and other wheeled recreational devices do so in a safe manner. Parents need to be confident that their child is a safe rider. It is Victorian law that helmets must be worn while riding to and from school. It is School Council Policy that students are not to ride any of these devices in the school grounds.

The consequences for students who do not follow this school policy are that they will lose their chance of riding to school for a specified period of time.

Parents will be contacted where a child does not wear a helmet and/or has been reported to have been riding in an unsafe manner.

We ask parents for support in the implementation of this important safety policy.

Car Parking

The car park inside the school grounds is for staff cars only.

Parents collecting or dropping off children by car should park with careful regard to the safety of children and the free movement of traffic, either:

- On the north side of Luck Street
- Along both sides of Grove Street where permitted
- The small Grove Street car park is only available for parking during the hours of 9.30am and 2.30pm. The gates will open at 4.00pm for after school care pick up.

We ask parents to exercise absolute care in these restricted parking areas. The signage and designation of car parking on the surrounding roads is under the jurisdiction of Nillumbik Council. Parking officers frequently patrol these areas.

School Crossings

School crossings with attendant supervisors are provided in Main Road, Beard Street, Luck Street and at two points in Grove Street. Children walking to school or crossing to meet parents in cars should be directed to use the crossings.

Parents should note that these crossings are supervised by employees of Nillumbik Council and only supervised until 9.00am in the morning and 4.00pm in the afternoon.

2022 Community Activities

VOLUNTEERS WANTED FOR 2022

We are looking for more parent volunteers for icypole and the Special lunches (Bakers Delight and Sushi) sales on a Monday.

If you can help out, or need further information, please email ana.strebinos@education.vic.gov.au or telephone: 9439 9793.

Bakers Delight Lunches & Sushi Lunches

Bakers Delight and Sushi lunches will begin again in 2022. Please look out for lunch order forms in the newsletter.

Please write your child's name, class, room number and if it's a Bakers Delight or Sushi lunch on an envelope and place lunch order form and cash into envelope. Last day to place a lunch order is the Thursday before.

Lunch Order dates for 2022

Bakers Delight Lunch	Monday 28th February	Order form need to be at the school office by Thursday 24th February
Sushi Lunch	Monday 28th March	Order form need to be at the school office by Thursday 24th March
Bakers Delight Lunch	Monday 16th May	Order form need to be at the school office by Thursday 12th May
Sushi Lunch	Monday 20th June	Order form need to be at the school office by Thursday 16th June
Bakers Delight Lunch	Monday 25th July	Order form need to be at the school office by Thursday 22nd July

Icypole sales

Icypoles will be sold out of the Discovery Kitchen every Monday. The cost of an icypole is \$1.00.

EEPS UNIFORM SHOP

Open every Monday & Wednesday 8:45am—11:15am

For Online (Paypal) orders, please go to EEPS website, located under "Uniform".

Alternatively, please order at www.fcw.com.au Go to "Online Schools Shops", Go to "EEPS". Order forms may also be left at the school office, to be processed by uniform shop at regular opening hours.

Payment to be made by completing credit card details.

WE CANNOT ACCEPT CASH PAYMENTS. These orders will be delivered to your nominated child's classroom.

Price lists are available FCW on EEPS website under "uniform". Prices are subject to change without notice.

Melissa for FCW @ EEPS

Scholastic Book club

Issue 1 orders are due back to the school office or via LOOP online BY THURSDAY 17th FEBRUARY.

EEPS is continuing to participate in **Scholastic Bookclub** and we are thrilled to be able to return to offering deliveries direct to your child's classroom. Twice a term, your child will bring home a Club catalogue with a different selection of books offered for all ages.

You'll find award-winning books and bestsellers, as well as old and new favourites. The books span a wide range of children's reading levels and interests and are inexpensive (some books cost as little as \$2).

Ordering

The **Bookclub LOOP** platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at [scholastic.com.au/LOOP](https://www.scholastic.com.au/LOOP) or using the **LOOP** app, which can be downloaded from the App Store or Google Play. Existing LOOP Users - When you log in, go to your Profile & update your child's 2022 class.

OR

The paper order form can be filled out at the back of the catalogue and handed in at the school office in a clearly named envelope along with the correct cash.

Each order helps earn free books and teaching materials for the classrooms & library, however there is never any obligation to order. Schools earn 20% from each order delivered to the school. In 2021, EEPS earned over \$2,500 in reward points which was used for new books for the library. Thank you!

Any queries can be directed to Bianca Hinkley through the school office.

Thanks,
Bianca

Book Club LOOP
The **EASIEST** way for parents to order and pay for Book Club!

Parents: Are you registered for LOOP?
LOOP is the easiest way for you to order and pay online for your child's Book Club order, if you wish to pay by credit card.

Parents who are registered for **LOOP** receive exclusive sneak peeks, downloads and offers throughout the school year—don't miss out!

Head to [scholastic.com.au/LOOP](https://www.scholastic.com.au/LOOP) and register today!

DVCA Women's Social Sixers Cricket

The DVCA in conjunction with Cricket Victoria is running a women's social sixers program at the Research Research Eltham Collegians Cricket Club and the North Eltham Wanderers Cricket Club over 4 weeks, commencing on Monday 7 February 2022 at 5.45 pm.

Come along and play a new & exciting type of cricket! It is for women and girls of all ages. If girls are currently playing, it's an opportunity to bring mum down to have some fun and both give it a go.

The sessions run for 60 minutes, and you can choose to attend any number of sessions.

Next season, the North Eltham Wanderers Cricket Club will be entering a women's team in the joint DVCA/MICA competition, so here is your chance to get in practice for next season. Mothers and daughters can play in the team. How exciting for the girls to be able to play with their mums.

There is no charge and if you want to have some fun, register at the links below:
